EC-JET®

EC-JET1000

continuous inkjet printer

PHARMAPACK

EC-JET1000

Continuous inkjet Printer

- Support fast maintenance transportation mode
- New ink system
- Ink separate from electronic system
- Unique three-door design with easy maintenance

High quality,stable and reliable print head

- Sealed design enabling easier cleaning and reducing nozzle failure
- Durable ruby nozzle with long core life expectancy
- Advanced VOD(Real Time Ink Viscosity Control System)ensuring clear and stable printing

Outstanding printing and powerful functions

- Ultra high speed that is 50%faster than that of similar products, making it cost-effective
- Vertical and horizontal fine-tuning in informantion section width, character spacing segment,character position available,making operation more flexible
- Phonetic input and other input methods available

Separated ink and electricity, unique design

- Using industrial grade stainless steel cabinet that is anti-dust,easy to be cleaned and durable
- Unique three-door design with easy maintenance
- Comprehensive automatic fault diagnosis function
- Able to input information,upgrade software,operate and maintain through a USB device

United States,Germany,Italy,Britain,Australia,Brazil,Poland,Czech Republic,Denmark,Russia,Turkey

Parameters

Print head type	60μm
Print message height	1.0~15mm
Printing lines	1-4 lines
Maximum print dots in a row	25 dots
Max print speed(1 line)	128m/min(Dot pitch 0.4mm)
Max printing characters	1000 Characters per second
Cabinet dimension	325mmx290mmx528mm（L x W x H）
Print head dimension	Φ42mmx188mm
Language support	Chinese, Traditional Chinese, English, Italian, German, Portuguese,Persian, Vietnamese, Polish, Russian, Arabic (update more languages as needed)
Net weight	About 18kg

Printing Function

- RFID function(Anti-improper ink and solvent filling system)
- Multi-password protection function
- Fixed and variable text,capital and normal characters
- Bold characters up to 9 times
- Print height,print width and print delay to be adjustable
- Automatic work shift,date and time format
- Flexible date and time formats,automatically date calculating function
- Real time clock function,with accuracy up to the seconds
- Graphics and message input by USB,parameter backup /restore/software upgrade function
- Batch coding and counting function
- Serial number with hexadecimal counting function
- Reverse printing function
- Timing function
- Phonetic input function
- Remote communication(optional)

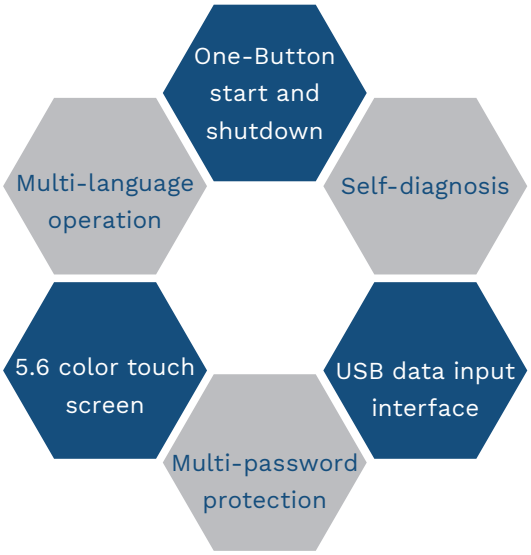

Industries Application

P&G · 雅芳 AVON · Schick 舒适 · LG · SAMSUNG · 伊利 · 華潤 · 中粮 COFCO · GREE 格力 · 五粮液集团 · 徽记食品 HUI JI FOOD · Cadbury · CHANGYU · 劍南春 · 竹叶青茶 ZHUYEQINGTEA · 无穷 · 吉林敖东 · JDB 加多宝集团 · 华北制药 · 北京同仁堂 · 东信药业 TUNGSHUNPHARM · 泸州老窖

Malaysia,Singpore,Vietnam,Thailand,India,Iran,Indonesia and Philippines,South Korea,Bangladesh

Excellent EC-JET,Intelligent Choice

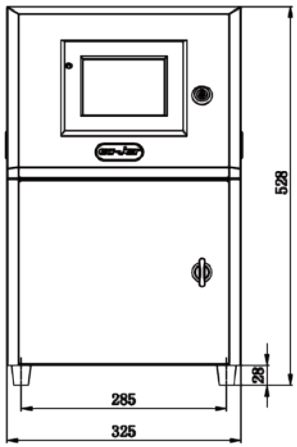

- **New Ink system**
  Low consumption,More Environmental
- **Ink separate with electronic system**
  Easy to maintenance,more safety
- **Three doors design with easy maintenance**
